

Our designs are modular and tailor made to any space

RESTAURANTS

Our kitchens, cover a variety of cuisines - Pan Asian, Continental, Indian, Mediterranean and others. From compact to large spaces, our kitchens are designed for high efficiency with an eye on the aesthetics. Our designs are

ROBATA GRILL

modular and tailor made to any space.

This is a kitchen whizz original design born out of the Japanese concept of ‘fireside cooking’. Perfect for grilling all kinds of food with the added attraction for diners to see what is being made.
